SUTTER COUNTY LIBRARY COMMUNITY FARMERS MARKET

On Friday, July 13th, 2025, the Sutter County Library offered a Community Farmer's Market in partnership with the Yuba City Unified School District's Nutrition Services Department and Pro Pacific Fresh at the Sutter County Library. The Farmer's Market consisted of a variety of locally sourced fresh fruits and vegetables for participants to choose from. Participants learned shopping skills, and practiced making healthy choices. Children ages 0-18 years were also provided a healthy lunch. We served over 150 children and 175 adults, for a combined total of 325 served. The market was a resounding success for everyone involved.
