YCSUSD Nutrition Services Enhances Partnership with Hylen Distributing

This year, YCSUSD Nutrition Services has broadened its collaboration with Hylen Distributing. Hylen not only guarantees a consistent supply of milk for our children but also now delivers a variety of fresh bread for our meal services. In collaboration with Franz, Hylen Distributing bakes our bread orders on demand. This partnership plays a crucial role in enabling YCSUSD Nutrition to provide fresh meals to all our students.

OCTOBER IS FARM TO SCHOOL MONTH

Exciting Partnership for Dairy Agriculture Literacy

YCSUSD is thrilled to announce our partnership with the Dairy Council of California to enhance dairy agriculture literacy among our elementary students through the Mobile Dairy Classroom—a dynamic and educational assembly that brings the farm experience directly to schools! Throughout October, five of our schools will engage with the Mobile Dairy Classroom which promotes agricultural literacy by demonstrating to students how milk travels from the cow to the carton, all while featuring a live cow right in the schoolyard, accompanied by age-appropriate vocabulary.

YCSUSD Nutrition Services is pleased to continue our partnership with Wild River Fruit this year. They have been supplying students with a variety of stone fruits and will start providing Kiwi Fruit this fall. We are thrilled to collaborate with Wild River Fruit, as their products are locally sourced!

Wild River Fruit is a 3rd generation grower, packer, shipper & marketer of specialty organic fruit based on the outskirts of the historic town of Marysville, CA. Their farms flourish along the conjunction of winding Yuba & Feather Rivers, which flow from the Sierras into Northern California's fertile Sacramento Valley.

FARM DAY 2025

YCSU Nutrition Services and ProPacific Fresh Collaborate for Farmers Market at Farm Day 2025

YCSU Nutrition Services, in collaboration with ProPacific Fresh, organized a Farmers Market for the 19th Annual Farm Day Event. This event, hosted by the Yuba-Sutter Farm Bureau, welcomes thousands of third graders from our region to explore the world of farming and agriculture.

We are proud that YCSU Nutrition Services, alongside ProPacific Fresh, was able to create an interactive and educational Student Farmers Market. Our involvement in this annual event supports our 'Farm to School' vision by providing:

- Engaging outdoor learning experiences
- Promotion of healthy eating habits
- Insights into the origins of their food for students

YOU'RE INVITED

If you are interested in attending YCSU School Wellness Committee Meetings.

Please email Chelsey Slattery at cslattery@ycsud.org

The School Wellness Committee will meet for the 2025-2026 school year on

the following dates:

October 15, 2025

January 21, 2026

March 25, 2026

Time: 10:00 am - 11:00 am

Where: Yuba City Unified School District

750 Palora Avenue

Yuba City, CA 95991

This institution is an equal opportunity provider.

We are excited to announce that YCSU Nutrition Services will be awarding up to 10 Farmers Markets over the next two years. If you are interested in hosting a Farmers Market at your location, please complete our survey at <https://forms.gle/rVkeP7baodrJU7Rp9>

Applicants will be notified by email if they are selected to receive a Farmer's Market. This opportunity was made possible via the YCSU Nutrition Services Department, Pro Pacific Fresh, and the California Department of Food and Agriculture. Fill in the information on the form and submit your responses. Your response will be recorded and we will contact you!
