YCUSD Nutrition Services Team,

I hope 2025 is off to a great start for you all both professionally and personally. At the Nutrition Services Office we are looking forward to kicking off our Student Farmers Market Program this spring at all Fresh Fruit & Vegetable Program sites and can't wait to see you all there and have already started planning for Summer Meals. It's hard to believe we're already more than halfway through the 24-25 school year. Please know that your dedication and hard work that goes towards preparing and serving meals to our students does not go unnoticed and is truly inspiring! I appreciate your positivity, collaborative spirit, and commitment to excellence in student nutrition. Keep up the amazing work - you are making a difference!
