DIRECTOR'S NOOK

Dear YCUSD Nutrition Services Team,

With just over three months to go in the school year, I want to take the time to reflect on how far we have come since the 24-25 school year began. Since August 2024, we have collectively served over 1.4 million meals to students in Sutter County. That is an average of nearly 13,800 meals served each school day. We have also hosted 25 Pancake Breakfasts and 2 Student Farmer's Markets. Thank you all so much for your hard work and dedication to serving our students. You're all doing an amazing job. Keep up the great work!
