

# Yuba City Unified School District Early College Program Student Application

The Yuba City Unified School District Early College Program provides the opportunity for students to complete the requirements for high school graduation while also earning a significant number of college units. The goal of the program is to have each student meet the requirements to transfer to the California State University and/or University of California systems. To make this happen students will have to follow a specific course of study program that will be different from their current course selection. All questions should be directed to Martin Ramirez at (530) 822-3207 or email at [mramirez@ycusd.org](mailto:mramirez@ycusd.org).

Parents/Guardians will need to provide transportation to the Yuba College Sutter Center each morning. Yuba City Unified School District will provide transportation from the Yuba College Sutter Center to RVHS or YCHS.

Please complete the application below. Each portion must be filled out completely. Students will be evaluated for acceptance into the program based on attendance, behavior, grades, state test scores, and the student essay.

Once the application is complete, insert the application and the required essay in the provided envelope (please do not seal the envelope, only close with the brad) and bring it to Martin Ramirez at the District Office located at: 425 Plumas Blvd, Suite 200, Yuba City, CA 95991.

**For registration and course selection purposes.**

Applications for Spring 2024 Semester

are due by November 30, 2023

## Student Information

Grade level at the start of the next term (Spring 2024): \_\_\_\_\_

High School: \_\_\_\_\_

Student ID#: \_\_\_\_\_

First Name: \_\_\_\_\_

Last Name: \_\_\_\_\_

List classes for next term/year:

Fall Courses-RVHS / Year long-YCHS	Spring Courses - RVHS
0 per.	YCHS only
1.	1.
2.	2.
3.	3.
